

LINDNER HOTEL

SYLT

LOCAL VIBES GUARANTEED

Situated directly on Wenningstedt beach, the Lindner Hotel Sylt provides a warm welcome to visitors to the island! Sylt is beautiful and, above all, varied. The impressive Morsum cliff with the heathland behind it is particularly enchanting in spring and unique in Europe. Just like the fascinating mud flats right outside our front door. There's so much to discover, enjoy and experience on Sylt, so you're sure to return again and again. Because - Sylt is addictive!
