

LINDNER HOTEL

WIESENSEE

The Lindner Hotel Wiesensee, a connection that stands for movement and relaxation. There are plenty of opportunities to relax on hot summer days or to be active on the beautiful hiking trail and in the nearby, practically untouched nature of the Holzbachschlucht nature reserve. With its high basalt rock faces, the fairytale ravine is reminiscent of times long past when the Holzbach formed the rock. The next town is Westerburg, with its beautiful castle providing wonderful far-reaching views of Westerwald.
