DUSSELDORF AIRPORT

Lindner Hotel Düsseldorf Airport is located in the Unterrath district. In the immediate vicinity, the Kartäuserpark next to the hotel is perfect for jogging or walking. The airport and Airport City are just 1.5 km away. Despite the proximity to the airport, our hotel is in a quiet location with no flyovers, and the ban on night flights also ensures that our guests enjoy a peaceful sleep. There are various restaurants, bars and a supermarket within walking distance. The world-famous old town and KÖ (Königsallee) can be reached easily by bus or train.
